Montgomery Parks is seeking Planning Board approval of recent staff site selection analysis for locating dedicated cricket fields in parks. A temporary cricket field is being displaced by the construction of the SoccerPlex's Phase III in South Germantown Recreational Park, and the Parks Dept. is planning for anticipated growth of the sport in our county.

Three potential sites are being considered:

1. a new location within South Germantown Recreational Park;
2. a proposed addition to Ovid Hazen Wells Recreational Park; and
3. the future Boyds Local Park.

See additional information, the proposed schedule and public input at www.ParkPlanning.org. Follow the blue QuickLink for this project.
